

– **Chris Winfield**
Founder, Understanding A.I.
Co-Founder, Super Connector Media

Understanding AI is an educational platform dedicated to "making AI easy", HeyVision, a platform that educates and empowers individuals and organizations to embrace AI technologies, and Co-Founder of Super Connector Media, where he's trained over 50,000 business owners on how to build their brands, leverage AI and become "The Recognized Expert" in their industry.

As a sought-after speaker, expert commentator and consultant, Chris has worked with some of the biggest brands in the worlds such as Disney, Intuit, Conde Nast, Virgin, Macy's, Viacom, NBC Universal and has shared his insights with companies like Google, Microsoft, and Apple, as well as numerous industry conferences and events. He has been featured in over 200 media outlets, including NBC News, The New York Times, Fox & Friends, ABC News, The Today Show, Forbes and his columns have appeared in INC, Entrepreneur, TIME, Fast Company and Business Insider (just to name a few).
